School Description

School Profile

Desert Mirage High School provides instruction for students in grades 9-12. During the 2019-20 school year, a total of 2,051 students were enrolled. The school's enrollment for 2019-20 was comprised of 95.5% socioeconomically disadvantaged students, 12.9% students with disabilities, and 21.6% English Learners.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Vision

Desert Mirage High School is a learning community where students, parents, and educators collaborate to build a future of excellence.

School Mission

The mission of Desert Mirage High School is to prepare and empower all students with the necessary skills to be college and career ready, so that they may become productive members of society.

A. Conditions of Learning

State Priority: Basic

The SARC provides the information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum at Desert Mirage High School are being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On October 8, 2020, the Coachella Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2021-10 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social, science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

Campus Maintenance

The district takes great effort to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

2018-19 Campus Improvements:

- * Final phase of installation of solar panels
- * Upgrade the sound system in the gymnasium and on the football field
- * Murals completed in Rams Circle
- * Landscaping and new trees throughout campus

Planned 2019-2020 Campus Improvements:

- * New marquee in lunch area
- * Updated murals in Rams circle
- * PBIS signs posted throughout the campus

* Gym floor upgrade

Planned 2020-2021 Campus Improvements

* New school marquee outside of the school

* Murals in Rams Circle

* Painting of all fences, gates, and exterior doors to buildings

* Full preparation of rooms and signage for Hybrid Learning due to COVID.

THE 2019-2020 FACILITIES INSPECTION TOOL (FIT) IS THE MOST RECENT FIT - AS THE FALL, 2020 INSPECTIONS WERE POSTPONED DUE TO COVID.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	43	N/A	29	N/A	50	N/A
Math	15	N/A	21	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through ConnectEd, school web site, school newspaper, master calendar on the school web site, and counselors' newsletters. Contact the project facilitator's office at (760) 397- 2255 ext. 2222 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer

- Chaperones (for school dances)
- Library
- School Office
- Sports Events
- School Carnivals
- CTE Mentors

Committees

- English Learner Advisory Committee
- Family Involvement Action Team (FIAT)
- Graduation Committee
- School Site Council
- WASC Focus Group (Parent Group)

School Activities

- Academic Awards Night
- Athletic Events
- Back to School Night
- College is a Family Experience
- Concerts
- Drama Productions
- Coffee with the Principal
- Parent Education Workshops
- Student Activities
- Scholarship Nights

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Safety Plan was developed for Desert Mirage High School in collaboration with the School Safety Committee, local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's 2020-21 school safety plan was reviewed, updated, and approved by the SSC on February 26, 2020. It was board approved on May 7, 2020.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	8.7	7.8	5.2	4.7	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	10.8	4.9	2.5
Expulsions	0	0.01	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

All training and curriculum development at Coachella Valley Unified School District revolves around the California State Standards and Frameworks and Common Core State Standards. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, and principal input.

Staff members refine teaching skills and concepts through participation in conferences and workshops throughout the year. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

Staff development takes place throughout the year during our Wednesday staff development time. Teachers also have the option of asking our four site coaches who have an extra prep to offer staff development on an individual basis. Many teachers have also had the opportunity to receive professional staff development outside of the district.

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The Beginning Teacher Support and Assessment (BTSA) program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two year period.

The Peer Assistance and Review (PAR) program is available to veteran teachers who need to improve instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance. Experienced and knowledgeable veteran teachers, referred to as "coaches", are paired with teachers referred to the PAR program to provide individualized guidance, support, and training.

Classified staff receive job-related training from qualified district personnel and consultants. Special education aides received specialized training from district office personnel. Long-term substitute teachers are invited to attend designated training sessions.

Career Technical Education Programs**Career Technical Education Programs**

Desert Mirage High School offers eight pathways (Aviation, Dance, Film, Professionals Theatre, Sports Medicine, Website Development, Green Energy, Architectural Design) across six industry sectors with a total enrollment of approximately 1000 students. All pathways have updated curriculum with key assignments aligned to both CTE and academic standards. A total of 22 courses are offered throughout the eight pathways, 14 of the courses have been approved through the UC/Cal State system and award A-G credit. Of these 14 courses, 8 courses offer A-G academic credit in fine arts. The remaining 8 courses offer A-G elective credit. All student populations are supported through after school tutoring to ensure success in all CTE programs.

Each program is evaluated yearly using the rubric for the eleven elements of high quality CTE, with goals set for each pathway for elements that do not meet high quality. Program data is also collected on total number of students meeting A-G requirements, enrollment and participation in CTSO's, Certifications, suspensions/expulsions, GPA, attendance, and students earning dual enrollment credit. Program data collected confirmed higher A-G rates for CTE students versus the general population of students across the district (47% vs. District Average of 33%), higher attendance rates, lower suspension and expulsion rates, and higher GPA's to highlight a few.

The school hosts two advisory meetings each year with representatives from each of the industry sectors. Kim McNulty, Director of One Future Coachella Valley is the CTE Advisory Committee Chair. All students and teachers have Nepris accounts. Nepris is a platform that connects industry professions with classrooms virtually.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
